Introduce yourself! Let them know how much homeschooling means to you and what you are currently learning about. Tell them about your favorite subject. Thank them for their hard work and ask them to protect your family's freedom to homeschool in Maine! Lastly, sign your name.

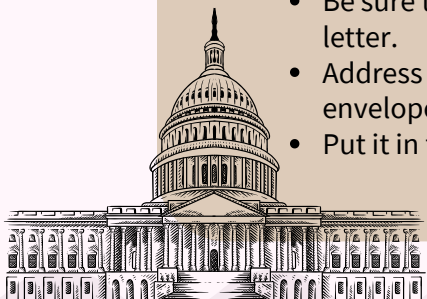

My name is [Your Name], and I am a [Your Age]-year-old homeschool student in [Your Town], Maine. Homeschooling has allowed me to learn in a way that works best for me. I get to study subjects I love, take hands-on field trips, and learn at my own pace. My family is very involved in my education, and I appreciate the flexibility homeschooling provides.
